

from tough beginnings ...

...to the influential brand

...our story

- **BANDI** was established in 1986 as a family company, built with a **passion and dedication**.
- **Over twenty six years** we have been offering professional products for beauty salons and SPAs as well as an extensive range of retail cosmetic products.
- Our **values** – ambitious and innovative, safe and trustworthy

...tough beginnings

1986

...ambitious and innovative

BANDI
cosmetics inspiration

1991

2007

2011

...safe and trustworthy

- only the highest quality ingredients, from the certified suppliers from all over the world.
- full control over the production proces in our own factory
- our own R&D dept.

...what makes us unique

- Innovative formulas based on highest quality ingredients
- Convenient air-less packaging (prevents active ingredients from oxidizing)
- All formulas created in BANDI's own laboratories
- Minimum quantity of preservatives – which can be tolerated by very sensitive skin
- Leader in chemical exfoliation treatments

... you can trust BANDI because...

- Over 26 years on the market
- Our products are used by over 3000 beauty salons in Poland
- Export to UK, USA, Ukraine, Holland
- Our cosmetics are regularly tested by independent laboratories
- Every day we get positive opinions from our customers from all around the world
- We are a multi award-winning company for products, treatments and services

...rewards and distinctions

We won **many prestigious awards and distinctions** which were both voted by customers and chosen by respected magazines.
